Sendai Municipal Minami Koizumi Junior High School Night School

○ What is Junior High Night School?

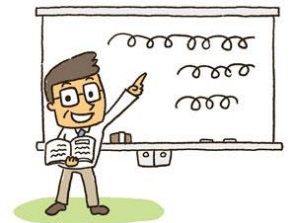

- There are people in Sendai who have not been able to complete compulsory education for various reasons, such as those who have hardly attended school up until now due to various circumstances, or foreign national residents who have not completed compulsory education in their home countries. In order to respond to their desires to "learn once again", Sendai City has established a night school within Sendai Municipal Minami Koizumi Junior High School for those who qualify.

○ Who Can Enroll in the Junior High Night School? (Regarding Application Qualifications)

- Those currently residing in the prefecture and fall under categories ① through ③ below are eligible to apply for attendance at the school.
 - ① Those who have exceeded school age without having completed compulsory education.
 - ② Those who have graduated from junior high school without having received a sufficient education due to various reasons such as refusal to attend school.
 - ③ Those foreign national residents who have exceeded school age without having completed compulsory education in their home countries or within Japan.

○ How Many People Can Attend?

- Roughly 20 first year students are being recruited.
- If the number of students wishing to enroll exceeds the maximum number of students being recruited for this class, a lottery may be held to determine enrollment.

○ What Will We Study?

- Students will learn the same subjects as Junior High School students do during the day time, including Japanese language, mathematics, social studies, science, English, music, art, health and physical education, home economics, moral education, integrated studies and other school activity classes.
- Teachers with a Junior High School teaching license will teach the classes.
- Those who complete all of the courses in full will receive a Junior High School graduation diploma.

○ About the Classes

- Classes are held Monday through Friday from 17:30~21:00.
- Students will have the same holidays as Junior High School students do during the day time, including summer vacation, winter vacation and others.
- Each class is 40 minutes in length. There are 4 classes a day, for a total of 20 lessons per week.
- Classes will be conducted in Japanese.
- For those who do not know Japanese, you will be provided Japanese language support during class, but you will not be allowed to participate in only the Japanese language classes (you must attend all subject classes).

○ Other Information

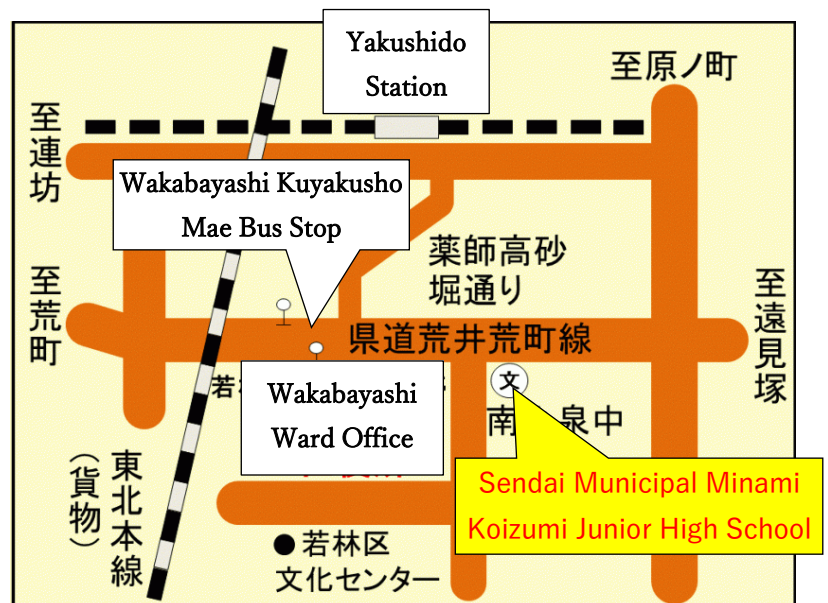

- You can enroll even if you are working. It is ok to work while attending.
- You can dress as you like. There are no school uniforms.
- School lunch will not be provided.
- There are no tuition fees. Textbooks will be distributed free of charge.
- Students will be charged for necessary study related expenses such as those for teaching materials, training fees, etc.
