

東部地域の避難施設配置イメージ図

This map shows the configuration of disaster relief facilities in the eastern region. It features a grid of roads and various colored zones. A thick black line represents the Sendai Eastern Road (仙台東部道路). A red dashed line indicates the prefectural road 10 (県道 塩釜巨理線) with a polder structure (盛土構造). A legend on the right side of the map defines the following symbols and colors:

- 公園(丘) (Park/Hill): Green oval
- 津波避難施設 (Tsunami Shelter): Black circle
- 避難道路 (Evacuation Road): Red dashed line with arrowheads
- 産業機能の再生 (Revival of Industrial Function): Purple square
- 工場用地として再生 (Revival as Industrial Land): Orange square
- 市街地の再生 (Revival of Urban Area): Blue square
- 新産業用地として再生 (Revival as New Industrial Land): Light orange square
- 農業の再生 (Revival of Agriculture): Yellow square
- 防災施設と公園緑地 (Disaster Relief Facilities and Parks/Green Spaces): Light green square
- 田子西周辺の新規区画整理区域 (Newly planned area around Takiishi West): Red and white checkered square
- 荒井周辺の新規区画整理区域 (Newly planned area around Arai): Pink and white checkered square
- 集約地 (Cluster Area): Red and white striped circle
